What does the Learning Journey for Religious Education look like?

Successes in 2023-2024:

- Enrichment experiences built in to learning e.g. virtual synagogue visit.
- Learning outside the classroom opportunities enabled children to access R.E. in a hands-on way through building Sukkots at Forest School and visiting St Mary's church
- Monitoring of 'Big Questions' demonstrates effective implementation.

Focus for 2024-2025:

- Continue to monitor 'Big Questions' in order to capture pupil voice about their learning.
- Research and organise a social action fund raising event for Year 2 children.
- Create an RE display to showcase and celebrate the learning that has taken place across the school.
