

Roles, Responsibilities and Financial Terms of Reference for East Preston Infant School

Introduction

The terms of reference have been produced to enable us to have a clear policy statement that identifies financial procedures and the financial management structure operating in East Preston Infant School.

These procedures are located in one reference document, which is available to view should the need arise during an internal audit or external assessment.

Risk Management Policy Statement

Our approach to managing risks will be open and transparent and blame will not be attributed if decisions made in good faith turn out to be wrong.

Consistency in our approach to identifying, assessing, and managing risks across the school is key. Risks are regularly reviewed and any changes in circumstances are recorded and acted upon.

There is clear accountability for our risks. This includes the Scheme of Delegation, the Roles and Responsibilities document and an annual statement of internal control (SIC), signed by the Chair of Governors. We are open to regular internal audit and audit inspection by external agencies.
