

NEWSLETTER FEBRUARY 2025

Welcome to the February edition of our FEPIS newsletter.

Happy Hearts Disco

Thank you to all involved in organising, helping and sending your little ones in. We hope everyone had a fabulous time!

PTA's VITAL ROLE

There is always a lot of quiet work behind the scenes from our amazing team of parents and teachers, arranging these events to be able to help provide the best experiences and resources for our children.

Where has the money raised been spent so far?

£1500 last year went towards the music curriculum.

A music workshop, new musical instruments and new music storage unit in the hall to store the lovely new instruments – which included:

- woodblocks
- maracas
- Claves
- Sleigh bells
- lollipop drums

£1250 went towards the Forest School site, allowing some essential site maintenance to be completed! Canopies around the fire pit were fixed and extended and fences were treated. It also allows for the forest school area to be prepared before each year group goes down, so it is properly resourced and things are put back in the right places, setting up workstations and where necessary replace items. This year included magnifying glasses, new pond dipping nets and fire lighters.

£750 went to each creative curriculum, it was spent by the year leaders.

Year R have put their's towards the EYFS area revamp currently happening.

Year 1 bought extra resources/nice to haves and are no doubt saving some towards their dinosaur experience coming up.

Year 2 spent some on art materials for a project and have some left over.

Without our families taking the time to attend these events and offer help where they are able, none of these things would be possible. Thank you.
