23rd May 2018

Dear Parents/Carers

Summer School Grounds Morning - Friday 8th June 2018

As you are aware, we hold a School Grounds Day each term. Unfortunately, the Spring School Grounds morning was cancelled due to bad weather - fingers crossed for this term! The ongoing building work means that we will again be completing our jobs in the morning session only. Please come directly to the main playground to sign in.

We are asking for volunteers (parents, grandparents, aunties, uncles and friends of the school) to spend some time on **Friday 8th June in the morning** to help with a variety of seasonal tasks including general weeding, sweeping, litter collection, clearing and tidying of our school grounds and general maintenance of our Forest School area. The priority jobs are dismantling pallets, washing the bike shed and repainting the fence in the reception area.

You are welcome to work with your child if you would like to. If so, it would be helpful if they have suitable footwear, gardening gloves and a sun hat and cream applied. We have some tools, but it is always useful if you have your own to use. We usually have a great

day and refreshments and biscuits will be supplied. Please feel free to come for whatever amount of time that you can. I have attached a slip to give us some idea of how many people are coming and also to know if you are going to work with your child so that we can make arrangements with their teacher for them to be released from their class.

Please note that School Grounds Day is a **non-uniform day**. Please can all children come to school in clothes suitable for gardening.

Yours sincerely

Mrs A Ellis
School Grounds Co-ordinator

Summer School Grounds Morning 2018 - Reply Slip

I/We can help on School Grounds Morning Friday 8th June 2018.

Name(s)

Child's name Class

Relationship(s) to child

I would like to work with the above named child (please tick for yes).

If you are not the child's parent we need an authorising signature from the parent.
