7th June 2019

Dear Parents and Carers

Summer School Grounds Morning – Friday 14th June 2019

The end of the school year is fast approaching and it is already time to arrange our Summer School Grounds Morning. I am sure you will all agree that we were able to achieve so much back in the Spring Term and I hope that we can be as productive this time to ensure that our school grounds stay looking fabulous!

As always, we are asking for volunteers (parents, grandparents, aunts, uncles and friends of the school) to spend some time on **Friday 14th June 2019 in the morning** to help with a variety of seasonal tasks including general weeding, litter collection, hedge cutting, clearing and tidying of our school grounds and general maintenance of our Forest School area. There will be a more detailed list of jobs created over the coming week including heavy lifting and more manual tasks which will be shared on the day.

As always, you are welcome to work with your child if you would like to. If so, it is essential that they have wellington boots, gardening gloves and a waterproof coat depending on the British Summer weather! We have very limited tools in school, so it would be useful if you have your own to use, particularly shears for hedge cutting and trowels for weeding. Please feel free to come for whatever amount of time that you can. I have attached a slip to give us some idea of when people are coming and also to know if you are going to work with your child so that we can make arrangements with their teacher for them to be released from their class.

Article 29 : Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Learning, Playing and Laughing Together

As mentioned in the last letter in Spring, during each grounds morning we create a lot of green waste. This year we are appealing to grown-ups to take a bag at the end of Grounds day, particularly if you have a brown wheelie bin at home (although this is not compulsory!) Alternatively, if you know of anyone/a company that could aid us then please get in touch with Mrs Ellis via the School office. We would be very grateful for your help with this.

Yours sincerely

Allis

Mrs A Ellis
School Grounds Co-ordinator

Spring School Grounds Morning 2019 - Reply Slip

I/We can help on School Grounds Morning on Friday 14th June 2019.

Name(s)

Child's name Class

Relationship(s) to child

I would like to work with the above named child (please tick for yes).

If you are not the child's parent we need an authorising signature from the parent.

Parent's signature
